New Development in Estepona Puerto

2 bedroom apartments from 260,000 euros

Estepona - Ref.: P169-00003

Puerto Alto

1, 2 & 3 bedroom apartments overlooking the Estepona Marina

These properties are located just opposite the Estepona Marina and have views to the marina and the sea.

Puerto alto is the closest new development to the Estepona Marina. In fact, since the area surrounding the marina is already developed you have the advantage of purchasing a property in a mature area where no more construction will take place that could ruin the beautiful surroundings.

A desired location-Puerto Alto Apartments Estepona

Puerto Alto features a truly unbeatable location. The Estepona Marina is at your doorstep yet far enough so that you don't hear the music from pubs and discos on weekends.

The beaches of La Rada and El Cristo are also within very short walking distance. That means that the two best beaches in Estepona are also at your doorstep.
