El Diamante

El Diamante is a residential complex comprised of 16 semi-detached luxury villas located in the Los Hidalgos development in Manilva in the Costa del Sol. The development offers a privileged location being walking distance to the beach as well as less than one kilometer from the La Duquesa Golf Course.

These semi-detached villas in El Diamante have 3 spacious bedrooms and two bathrooms as well as a spacious basement. Each home is built on 200 m² of land and has a private garden and parking. The wide terraces offer superb views to the La Duquesa Marina and Golf Course.

Every detail has been looked after in El Diamante, the kitchens have been fully furnished and equipped and the spacious living room is laid out on two levels with central fireplace and air conditioning.

El Diamante features communal pool and gardens as well as parking area.

The development is in a perfect area between Estepona and Sotogrande with proximity to a commercial area and sports facilities as well as the beach. El Diamante is a great place to purchase a home on the Costa del Sol from which to enjoy a superior quality of life.

Prices from 404,506 euros
