Samara, for those who want the good things in life

Samara is a residential development that combines quality (right down to the last detail), a relaxed and healthy lifestyle (connected with nature) and location (offering magnificent views of the sea and the city). These three elements make Samara a unique residential complex that stands out from the rest.

Samara: A quality residential development

Samara is a carefully conceived combination of contemporary architecture and design, luxurious interiors and light.

The development is comprised of 169 apartments in total that vary between 63 and 157 m2. from 1 to 3 bedrooms (2 bedroom duplexes, 2 and 3 bedroom penthouses), distributed over 25...
