El Mercader - New development in Estepona Golf

2 and 3 bedroom apartments from 312,616 euros.

El Mercader is a high quality residential complex located in an area currently undergoing great growth and development in the Costa del Sol. The project has been developed in various phases, the first phase being comprised of 142 apartments and the development will feature 600 apartments in total.

The development is located southeast of Estepona at Km. 150 of the A-7 motorway (old N340) on the border of the Casares municipality and just 3km from the urban centre of Estepona. The development is outlined by Estepona golf course (18 holes).

The residential complex will be closed and secure and the natural contour of the terrain has been used to gardens, sports areas and swimming pools.

The apartment blocks are made up of 2 and 3 bedroom apartmen...
