Jardines de la Duquesa Apartments in Manilva

This residential apartment complex is located in Los Hidalgos in Manilva on the Costa del Sol just 300 metres from the beach and a very short drive from the Duquesa marina. Most of the apartments offer fabulous sea views.

Each block in the complex is just four storeys tall and consists of 2 and 3 bedroom apartments. The apartments feature spacious terraces and the ground floor units have private gardens.

Specifications include air conditioning, equipped kitchens, domotic system, video entry phone, marble floors, garage parking space and storage room.

There is a new shopping centre with two supermarkets just a few steps away. A short drive one will find the Duquesa marina and the small town coastal of Sabinillas.

Golf lovers will be a 2 minute drive from La Duquesa Golf and there are a dozen golf courses within 15 minutes drive.

The beaches in the area are excellent and very wide (unlike the beaches from Malaga to Estepona which are much narrower). Apart from being wider the beaches in the area do not crowd as they do further up the Coast towards Malaga....

2 bedroom apartments from 224,363 euros
